## Coaches Breakfast Recap

**What an encouraging morning we had at the first-ever FCA Coaches Breakfast in Kokomo a couple weeks ago! It was wonderful to connect with such a great group of coaches.**

We're incredibly grateful to Mike Sutton and Bailey Detamore from Thrivent for sponsoring the event, and to Windmill Grill and Elite Event Center for their amazing hospitality and delicious breakfast.

Ball State Women's Golf Coach, Cam Andry, delivered a powerful message, reminding us: "Coaching is a calling, and if God calls you, He equips you," and "Big impact happens in small moments."

The coaches in attendance indicated that this encouragement was much-needed, and we're excited to see how God uses this event to jumpstart ministry to and through coaches in our area!

If you are interested in being involved with coaches ministry, please reach out and we would love to connect with you!

**Huddle Highlight: Maconaquah Elementary**

It was a great joy to join over 100 students at the Maconaquah Elementary FCA Huddle recently!  
Playing games and sharing God's Word with this group was a great energy boost to start the day!

## A Moment in the Word

“But have nothing to do with pointless and silly myths. Rather, *train yourself in godliness*. For the training of the body has limited benefit, but *godliness is beneficial in every way*, since it holds promise for the present life and also for the life to come.”
